

# JOSEPH

## The Israelite Destiny of America

Yair Davidy has written *Joseph. The Israelite Destiny of America*, Jerusalem, Israel. 280 pages

*Joseph. The Israelite Destiny of America* is a companion volume to Mr. Davidy's earlier books, *The Tribes, Ephraim* and *Lost Israelite Identity*.

Blessings given to the Children of Israel were epitomized most strongly in the Tribes of Ephraim and Menasseh. Ephraim dominates Britain and her daughters, Menasseh is pre-eminent in the USA.

New evidence is produced showing how the Tribal names of peoples who settled in Britain and later in America were those of the Ancient Israelite Tribes of Ephraim and Menasseh, the sons of Joseph.

The Hebrew meaning of the name Ephraim connotes a system of aristocracy such as that prevailing in Britain. The meaning of Menasseh in Hebrew is Responsible Representation such as that practiced in the USA. Nevertheless, a portion of Ephraim is in America and some of Menasseh remains in Britain.

Rabbinical Tradition from an early date or based on very early sources described the Tribes of Joseph in the End Times. The` descriptions can only fit Britain and North America.

An historical-sociological case study of entire areas in the USA is analyzed in the light of Biblical Commentary and tradition. This enables us to trace a clan of Menasseh to specific areas of the USA. People who migrated to America from Germany were not German but Hebrews who had kept themselves apart. The Prophet Isaiah foresaw Britain ruling India and Egypt. He also predicted that Africans would be brought as slaves to America. The Israelites of North America will be redeemed before all the other Lost Tribes.

Joseph has a Recommendation and an Appendix from Rabbi Avraham Feld who explains the value of Orthodox Rabbinical Tradition in revealing the Israelite Identity of the Lost Ten Tribes.

**Joseph places an emphasis on the Israelite origins of the American people. It costs only \$35.50.**

I am paying by cheque  by cash  by credit card  (check appropriate box)

Please charge my credit card no. below (Only MasterCard, VisaCard and BankCard are accepted. Amex and Diners cards not accepted at this time)
