MATERIAL AVAILABLE FROM HISTORY RESEARCH PROJECTS
People ask us ‘Why has History Research Projects been set up?’ It is an attempt to keep alive the truth concerning the modern identities of the nations listed in Genesis chapter 10. We seek to explore it thoroughly and make available hard-to-get publications related to the subject.

ORIGINS OF NATIONS RESEARCH PROJECT WEBSITE

Are you interested in the origins of the world’s races and peoples? Do you desire to see more material on this vital subject made available to the general public by scholars from around the world?
Scores of readers who have seen my manuscripts have written in to me asking for further information on the origins of the world’s tribes and ethnic groups as they relate to Genesis X. They show a burning desire to know the roots of all the peoples extant on the globe today. As a result of the hundreds of people all over the globe who have ordered books or who have expressed interest in the subject matter, I am pleased to a website which should excite many of you - Origins of Nations Research Project. I know that this unique website has been well received by hundreds. This site is utterly unique and nothing like it has ever been published in the internet before. It specialises in the origins of races and peoples assisted by the sciences.

The site contains the following information: news on forthcoming seminars; interesting links; downloadable books; all copies of the Origin of Nations magazine; research papers; maps on the migrations of tribes and peoples and other resources.

NEW BOOK: IN SEARCH OF … THE ORIGIN OF NATIONS

This new book covers all of the descendants of Noah through his sons Japheth, Ham and Shem and where they are located today. It will be approximately 520 pages in length and includes a large bibliography, maps, diagrams and charts. Sample chapters include:
The Roots of the Turkic and Arab Peoples; The Descendants of Cush; Mediterranean, North African and Black African identity; Dodanim and Tarshish; Madai, Tubal and Meschech Today; The Peoples of China and South-east Asia; Did the descendants of Tiras and Elishah just vanish?; The Peoples of Northern Europe; The Origin of the White Russians and Balts; Modern Identities of the descendants of Elam and Lud; The Assyrians in the Modern World. If you are interested in this book, let us know and we will inform you as soon as it is available.

Updated information will be provided from time-to-time on the Origin of Nations website.
